Important Questions	Answers	Why This Matters:				
What is the overall deductible?	\$0 at Indian Health Care <u>Provider</u> (IHCP) or with IHCP <u>referral</u> at non-IHCP; or \$5,000 individual/\$10,000 family <u>network</u> . \$10,000 individual/\$20,000 family out-of- <u>network</u> .	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .				
Are there services covered before you meet your <u>deductible</u> ?	Yes. Office visits, preventive care services, urgent care, rehabilitation services, habilitation services, outpatient mental health, outpatient substance abuse, pediatric vision services, pediatric dental exam, and tier 1 and tier 2 prescription drug benefits are covered before you meet your deductible. Copayments and coinsurance amounts don't count toward the network deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/ <u>preventive</u> -care-benefits/.				
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.				

for specific services?		
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	\$8,000 individual/\$16,000 family <u>network</u> . \$16,000 individual/\$32,000 family <u>out-of-network.</u>	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	<u>Premiums</u> , balance-billed charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Will you pay less if you use a <u>network provider</u> ?	Yes. See www.myhighmark.com or call 1-888-601-2242 for a list of network providers .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do I need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your overall **deductible** has been met, if a <u>deductible</u> applies.
