Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$3,800 individual/\$7,600 family <u>network</u> . \$7,600 individual/\$15,200 family out-of- <u>network</u> .	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. Office visits, preventive care services, standard diagnostic services, urgent care, outpatient mental health, outpatient substance abuse, rehabilitation services, habilitation services, pediatric vision services, pediatric dental exam, and tier 1 retail prescription drug benefits are covered before you meet your deductible. Copayments and coinsurance amounts don't count toward the network deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive -care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	\$9,900 individual/\$19,800 family network. \$19,800 individual/\$39,600 family out-of-network.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit?</u>	Premiums, balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

Will you pay less if you	Yes. See www.myhighmark.com or call 1-	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's</u>

		receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what
		your <u>plan</u> pays (<u>balance billing</u>).
		Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services
		(such as lab work). Check with your <u>provider</u> before you get services.
		Out-of-Network benefits consist of two levels of benefits. In-state out-of-network
		providers, and out-of-state out-of-network providers. Costs will vary depending on
		whether services are received from an in-state out-of-network provider or an out-of-state

		Pennsylvania participating in the local PPO network, as well as all emergency and
		urgent care services, will remain covered at the in-network benefit level. Please consult
